

Access your **2017 BENEFITS MATERIALS** from **home** or *on the go!*

Your **Benefits Intranet site** is accessible from outside of work – so you can easily review your 2017 medical plan comparison chart, rate sheet, enrollment guide, or other materials with your family members at home, or from anywhere using your personal computer, tablet or smartphone.

Thanks to our new log in process, it's easier than ever to access your benefits materials on the go! Simply follow the instructions below.

If you need technical assistance, please contact your **IS Service Desk**.

To log on to your **Benefits Intranet site** from your home computer or mobile device, enter the following address in your browser:

<https://hr.partners.org>

- Enter your **Partners username** and **password**.
You will see a landing page with logos for each Partners employer.
Click your employer's logo.
- In some cases, on the next screen you may need to click the **"Benefits"** tab to access your Benefits site.
- If you are accessing the **Partners Pulse** site, you will be asked to log in a second time with your Partners username and password. Once you have logged in again, click the "HR and Benefits" tab to access the Partners Pulse benefits site.
- BWPO Physicians and Professional Staff accessing the BWPO site should click QuickLinks > BWPO Professional Staff Benefits (Monthly Paid Only).

THAT'S IT! NO SPECIAL SOFTWARE IS REQUIRED.

When you are ready to enroll in your 2017 benefits, visit PeopleSoft eBenefits at:
